# The Audi A4, A4 allroad and S4

Pricing and Specification Guide

Valid from October 2014

# Personalising your Audi A4

This guide has been designed to help you tailor and price your Audi A4 quickly and logically. At the back, you will find information on $CO_2$ emissions-based taxation and the other services offered by Audi, including Finance and Insurance. You can also configure your Audi A4 online at audi.co.uk

## Get more from this brochure with the free Audi Vision app.

Audi Vision brings our brochures to life through Augmented Reality. It works by recognising images on a page through your device's camera. Suitable for phones or tablets, download it for free from the App Store or Google Play. Once downloaded, simply open the app and scan the cover of your guide. Then look out for any page with the Audi Vision logo, you can then hold your device over the page and watch as you get exclusive access to extra images, information and video content.

# Vorsprung durch Technik

Three words that express the very essence of Audi. Vorsprung durch Technik isn't a slogan. It's our way of seeing the world. It is the driving force behind our history of innovation that continues into the 21st century. Indeed, many technologies that Audi pioneered remain in our cars today. Some are milestones in the history of the motorcar.

From our beginnings in 1899, to the Auto Union team's Grand Prix successes in the 1930s and our more recent wins at Le Mans, we have always been at the forefront of the motor industry.

Vorsprung durch Technik makes us who we are. To see more of its influence, just read on.

# The Audi A4

Driving just got more personal. We've developed a range of technologies for the Audi A4 to give you exceptional precision and efficiency on every journey. But you'll also find great design quality, for a crisper and more focused look and feel both inside and out. Just as forward-thinking is the wide choice of engines – from the 1.8 TFSI to the 3.0 TDI quattro, enabling you to find the engine that's right for you and your needs.

20:07
A4

# A4 interior story

We've introduced a number of finishing touches to the Audi A4 interior to make your driving experience both comfortable and unique. You'll find an impressive attention to detail in everything from the colour Driver's Information System to our optional luxurious leather upholstery, which means that every journey you make will be a personal one.

# Engines

## Petrol

FSI® direct-injection technology is a unique Audi innovation that was originally developed for the Le Mans 24-hour endurance race to deliver more power and torque, as well as enhanced fuel efficiency. Precisely the right amount of fuel and air are injected into the combustion chambers, enabling the engine to 'breathe' more easily. It results in reduced heat loss and increased output, with around a 15% reduction in fuel consumption and significantly lower exhaust emissions. We've also developed TFSI®, with either turbocharging or supercharging, which combines FSI® technology with forced induction – giving cars an extra injection of power.

## Diesel

We introduced TDI® to the roads in 1989, and since then, we've continuously refined it, including developing common-rail technology. Under this system, a series of piezo injectors use electrical charge to precisely control the amount of fuel injected into the engine. As well as reducing noise, this allows combustion to happen at a lower temperature, with less oxygen, which lowers emissions.

Images are for illustrative purposes only

# Transmissions

## multitronic®

Translating a driver's preferences and intentions into road performance, the multitronic® transmission system entertains no compromises – whether in terms of dynamism, convenience or economy. multitronic® automatic transmission is available on models without quattro® permanent all-wheel-drive.
A continuously variable transmission, multitronic® can transmit up to 380 Nm of torque and permits an exceptionally wide range of gear ratios. The result is smooth, powerful acceleration and a high level of driving comfort. And thanks to its lightweight design and a number of advanced electronic control systems that monitor gradient, road conditions and the way the driver is using the accelerator pedal, multitronic® also plays an instrumental role in reducing fuel consumption.

## S tronic®

Driving is all about thinking ahead, which is just what the S tronic® dual-clutch transmission does. It works almost as two separate systems, one engaging the odd-numbered and the other the even-numbered gears. So when you're accelerating in second, it has third gear waiting for you. And once you make the switch, it's already thinking about fourth. With two clutches working together, you can change gears almost instantly while experiencing smooth, uninterrupted power.

# Efficiency

At Audi, doing less is something we're trying to do more of. We're working to use less fuel, release less $CO_2$ and waste less energy. It's why we've incorporated a number of more efficient technologies into the Audi A4.

## Recuperation

When a vehicle brakes, the discs convert the kinetic energy into thermal energy, which is wasted as it cannot be used. With a recuperation system, like the one in the Audi A4, the kinetic energy is converted into useful electrical energy. The way it works is simple. While the car is coasting or braking, the alternator voltage is raised above the level of the basic electrical system, which enables the alternator to generate electrical energy and store it temporarily in the battery. When the vehicle accelerates, this energy is used to relieve the load on the alternator, resulting in a fuel saving of up to 3%.

## Automatic Start-Stop function

In heavy traffic, your car still uses fuel and releases $CO_2$, even when it's stationary. The automatic Start-Stop function counteracts this problem by switching off the engine when your car comes to a standstill. As soon as you touch the clutch, the car restarts. In conjunction with TDI® and TFSI®, it helps save up to 0.4 litres of fuel every 100km.

Images are for illustrative purposes only

## Audi ultra

Audi ultra brings together specialist Audi knowledge and the latest innovations to create our most optimised models yet. As a result the Audi A4 ultra delivers the lowest $CO_2$ emissions and fuel consumption in the A4 range.

## Efficiency programmes

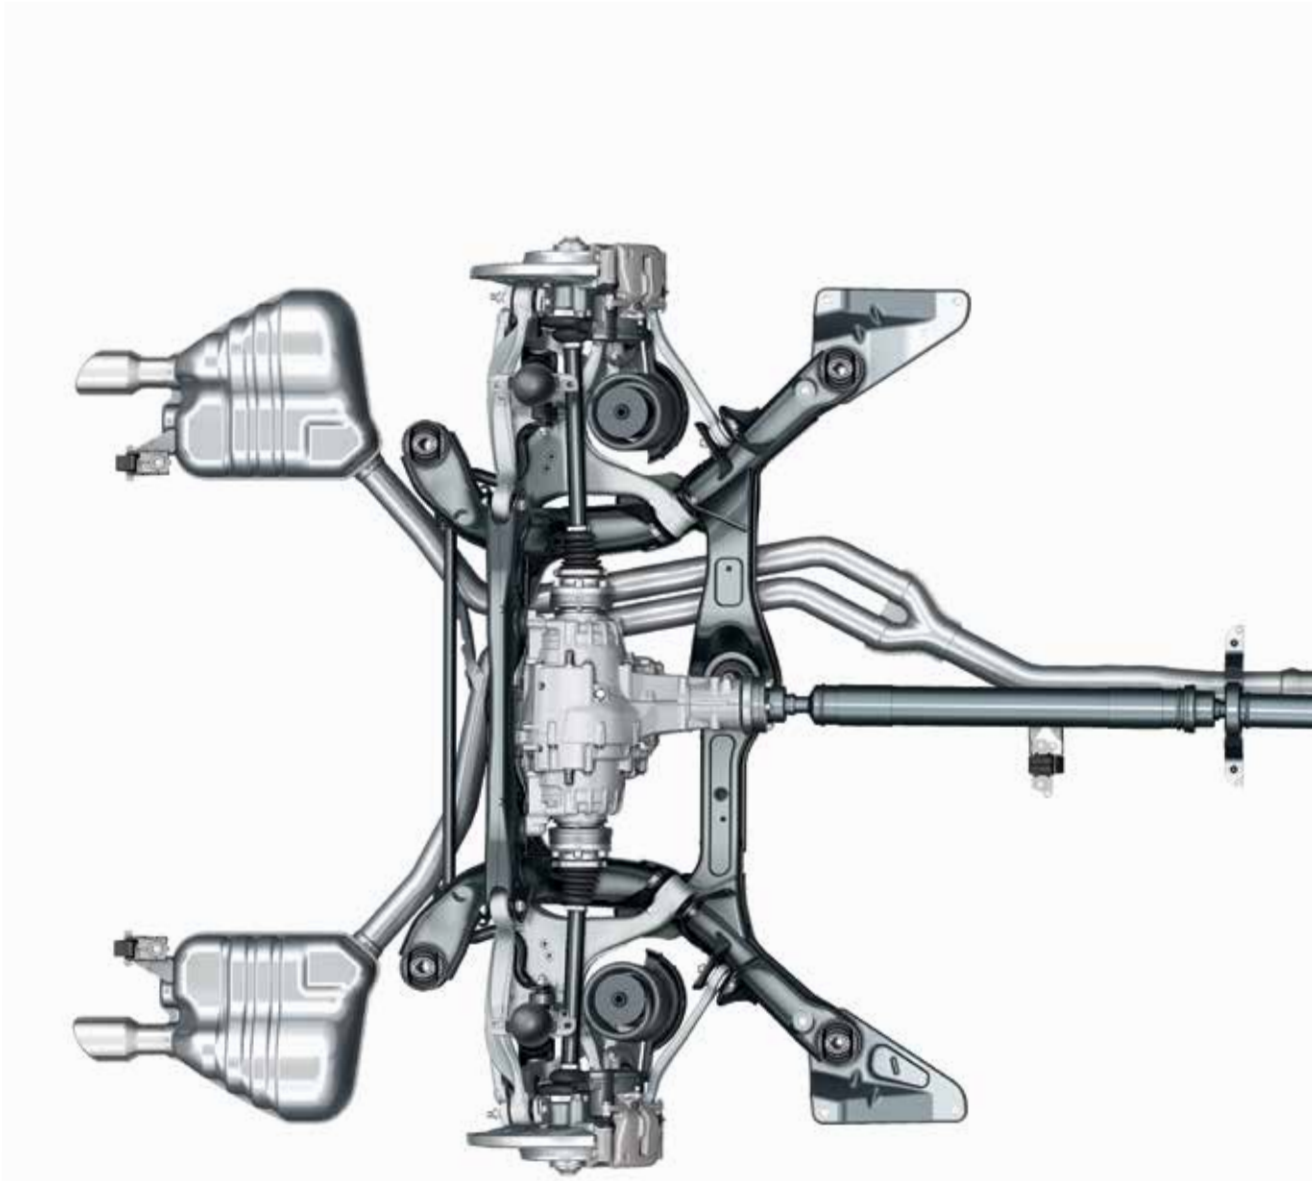
The Driver's Information System in the Audi A4 comes with an innovative efficiency programme as standard which offers advice on improving fuel economy as you drive. It also shows you which items in your car are using energy, and how much, so you can make an informed choice about which ones to switch off. Through the optional Audi drive select system, you can choose a new efficiency setting which helps you drive even more economically.

## Aerodynamics

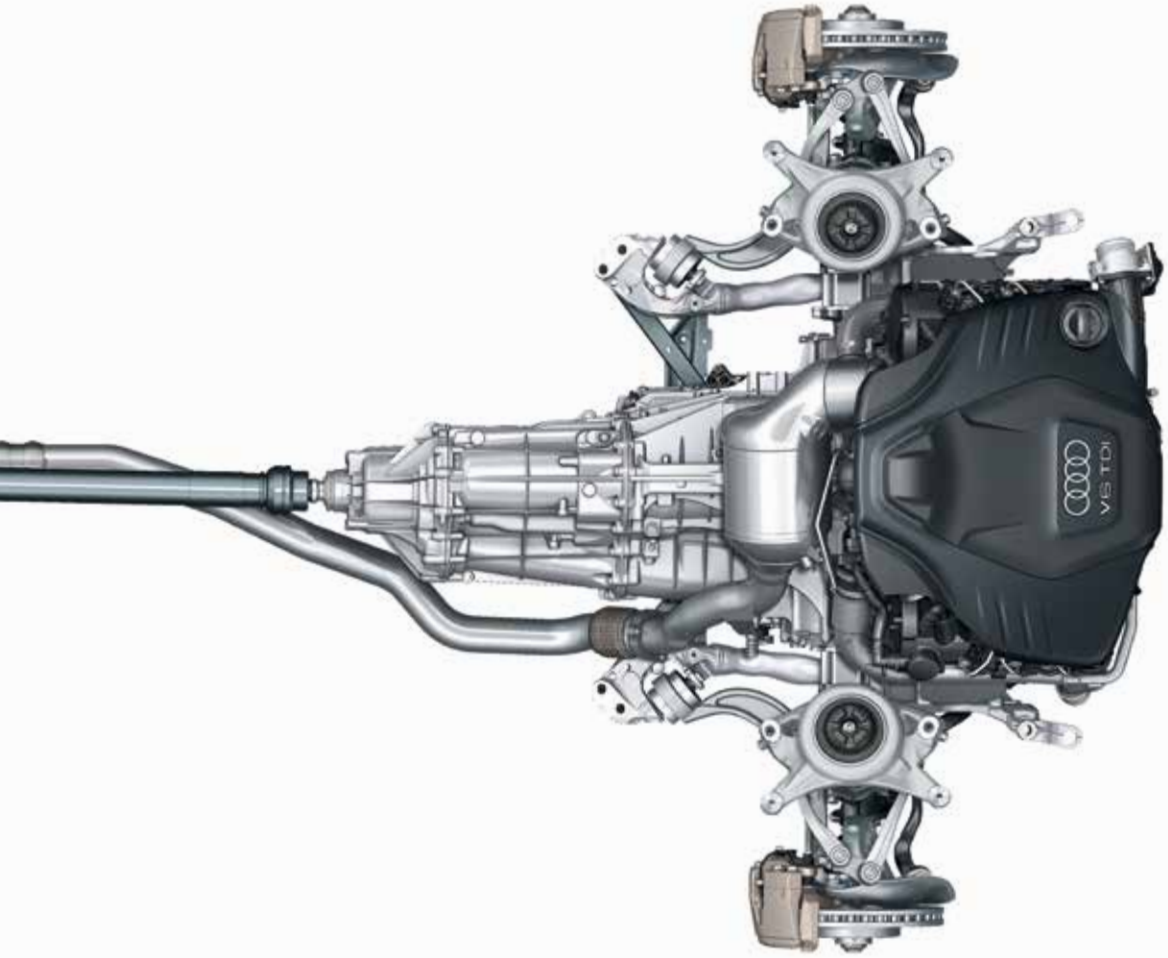
A car's shape can have a significant effect on its efficiency. It's why we've worked to make the Audi A4 as aerodynamic as possible.

# quattro®

It’s the technology that has given Audi the edge on the rally circuit ever since it was first introduced over 30 years ago – a technology that delivers ultimate control whilst enhancing the sporty characteristics which make the Audi A4 so thrilling to drive. It’s called quattro® permanent all-wheel-drive. The principle is simple: in the same way that four brakes ensure better deceleration, four permanently-driven wheels deliver better acceleration and road-holding, pushing or pulling the car as needed, for a driving experience that’s both dynamic and safe.



Images are for illustrative purposes only



In the Audi A4, asymmetric dynamic torque distribution continuously distributes drive power between the front and rear axles depending on weather conditions, road surface and gradient, which increases flexibility for an enhanced, sportier drive.

## quattro® with Sports differential

The optional electronically regulated Sports differential distributes variable amounts of drive force to each rear wheel, ensuring outstanding acceleration performance in corners and stabilising the vehicle's response to load change. It also brings better direct steering characteristics and, as it requires less steering effort, more agile handling.

IN A 4003

IN A 4008
A4

# SE model equipment

**All A4 models have the following items of standard equipment**

### Engine

**Automatic Start-Stop function** for greater fuel and $CO_2$ efficiency

**Misfuelling inhibition** for diesel engines

**Recuperation** for optimal energy utilisation

### Wheels, tyres and suspension

**17" x 7.5J '5-spoke' design alloy wheels** with 225/50 R17 low rolling resistance tyres and locking wheel bolts

**Space-saver spare wheel** (not on Saloon TDIe 136PS models)

**Sports suspension** lowered by 20mm

**Tyre repair kit** (Saloon TDIe 136PS models only)

### Seats

**Cosinus cloth seats** with manual height adjustment

**Split-folding rear seats.** Can be split and folded 40:60 or fully

### Audio and communication

**Audi sound system speaker package,** 10 speakers including subwoofer (180 watts)

**Concert radio** which includes:
- Single CD drive and SDHC memory card reader which are both MP3, WMA and AAC compatible
- 6.5" colour centre display with MMI operating logic
- AUX-IN connection
- TP memo – automatically saves traffic news when driving

**DAB digital radio reception –** receives programmes from digital radio transmitters in addition to the range of analogue stations with better sound quality. When combined with a navigation system, a second DAB twin tuner permanently searches for alternative reception frequencies of the set station, and the station list is updated at the same time. Please note: reception depends on local digital network availability. When combined with a Technology package (WB7 or PCB) it is also capable of receiving DAB+ and DMB audio signals

**Bluetooth interface** for hands-free mobile phone connectivity. Includes voice control for telephone functions

### Safety and security

**Airbag system** for driver, front passenger, front side and head airbag with front passenger airbag deactivation switch

**Rest recommendation system –** analyses driving behaviour based on steering, pedals and gear lever movements. If the system detects a change in driving patterns it can, via audio and visual effects, notify the driver of the possible need to take a rest

**Car jack** (not on Saloon TDIe 136PS models)

**ESP** including limited-slip differential on front-wheel-drive models

**First aid kit**

**Front and rear fog lights**

**ISOFIX Child seat mounting –** for front passenger (with airbag deactivation) and outer rear seats. Including Top Tether attachment point for the outer rear seats

**Light and rain sensor –** automatically switches the dipped beam headlights and windscreen wipers on/off depending on the light and rain conditions. Also includes coming home/leaving home function which delays the deactivation of the front and rear lights after locking and automatic activation of the lights when unlocking

Colour Driver's Information System (DIS), with rest recommendation

17" x 7.5J '5-spoke' design alloy wheels

**Rear parking sensors** – facilitate parking by acoustically indicating the distance to obstacles; measurement is by ultrasonic sensors integrated discreetly into the bumper

**Thatcham category 1 alarm and immobiliser**

**Toolkit**

**Warning triangle**

## Interior equipment

**3-zone climate control** with separate air distribution and digital display for driver and front passenger. System includes air-conditioning controls in the rear centre console for rear passenger compartment

**4-spoke leather multi-function steering wheel** adjustable for height and reach

**12V power socket in boot** (not on TDIe 136PS models)

**Acoustic windscreen** for reduced outside noise

**Aluminium trigon inlays**

**Auto-dimming rear-view mirror**

**Cruise control** – maintains any speed above 18mph, provided the engine power output and engine braking effect permit it; operated via separate steering column stalk. The set speed is displayed in the Driver's Information System

**Door sill trims** in Aluminium optic

**Colour Driver's Information System** with energy-saving tips and rest recommendations. Shows the radio station or track title, telephone control, menu and other display information from the infotainment system such as navigation (if fitted). Also includes an on-board trip computer with short and long-term trip memory, outside temperature display, digital speedometer and door or boot open warning

**Electric front and rear windows**

**Electromechanical parking brake** includes parking brake function when stationary, drive-off assistance function through automatic release when driving away and emergency braking function whilst driving, acting on all 4 wheels

**Electromechanical power steering**

**Front and rear floor mats**

**Front centre armrest** including 12V power socket

**Interior chrome package**

**Rear armrest**

## Exterior equipment

**Auto-opening boot lid** (Saloon models only)

**Exhaust pipes –** 4-cylinder models have twin exhaust pipes on the left hand side. 6-cylinder models and the 2.0 TFSI Avant and allroad models have one exhaust pipe on each side with chrome exhaust trim

**Exterior aluminium package**

**Exterior mirrors –** electrically operated and heated

**Halogen headlights** with electric headlight range control and daytime running lights

**Power-operated tailgate –** opened by pressing button on the car key, button in the driver's door panel or soft-touch button in the handle recess on the luggage compartment lid. Closed by pressing a button on the inside of the luggage compartment lid. The opening of the luggage compartment lid can be programmed to desired height (Avant models only)

**Roof rails in bright finish** (Avant models only)

**Single frame front radiator grille** with Stone grey horizontal bars

**Tyre pressure loss indicator –** visual and acoustic warning if the pressure drops in one or more tyres

Rear parking sensors

Aluminium trigon inlays

# SE Technik model equipment

## In addition to SE model equipment

**Basic RRP**
£833.33

**Total RRP inc VAT**
£1,000.00

### Wheels, tyres and suspension

**18" x 8J '10-spoke' Exclusive design alloy wheels (excluding 2.0 TDIe and TDI ultra engines)**

**TDIe and TDI ultra models feature 17" x 7.5J '5-spoke' design alloy wheels** with 225/50 R17 low rolling resistance tyres

**Standard suspension.** TDIe 136PS models and TDI ultra models have Sports Suspension (lowered by 20mm)

### Interior equipment

**Milano leather upholstery –** includes seats, head restraints, door inserts and front centre armrest in leather

### Audio and communication

**MMI Navigation system plus.** Hard disk navigation with topographical map display, places of interest and town models in 3D, with high-resolution 7" colour TFT display. The system offers three alternative routes, with the ability to scroll along the selected route and manoeuvre within the map. Uses 7-digit postcode recognition. Includes split-screen mode for route information, dynamic route guidance (TMC), intersection zoom function, motorway exits and lane recommendations in Driver's Information System (DIS). Includes 2 SD card readers, single CD/DVD player, 40GB hard drive and Jukebox (20GB) for storing and managing music files in WMA and MP3 format. Includes European navigation data (where digitised)

Additional functionality is available when combined with optional Mobile telephone preparation – High with Audi Connect (9ZW). For more details please see option 9ZW, featured in the options section of the guide

**Audi Music Interface –** connection for use with stereo audio sources, USB and MP3 devices including Apple iPod generation 4 onwards and Apple iPhone

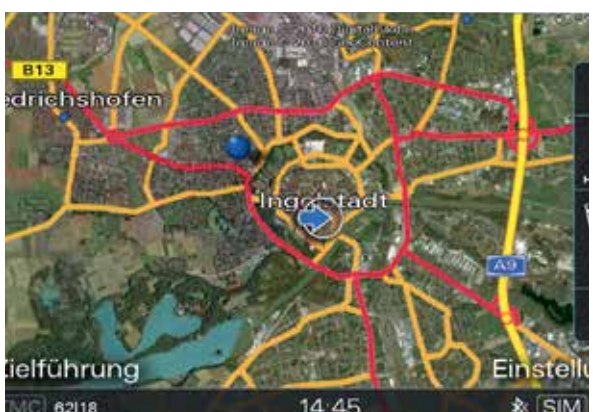
### Safety and security

**Audi parking system plus –** acoustic and visual park assist system for the front and rear with MMI screen display; measurement is by ultrasonic sensors concealed in the bumpers

### Exterior equipment

**Metallic paint**

Audi parking system plus



MMI Navigation system plus

Standard seat in Milano leather upholstery

# S line model equipment

## In addition to SE model equipment

**Basic RRP**
£2,129.17

**Total RRP inc VAT**
£2,555.00

### Wheels, tyres and suspension

**18" x 8J '5-twin-spoke' design alloy wheels** with 245/40 R18 Y tyres

**TDI ultra models feature 17" x 7.5J '5-spoke' design alloy wheels** with 225/50 R17 low rolling resistance tyres

**Sports suspension** 20mm lower than standard with stiffer spring and damper tuning for more direct contact with the road and sportier handling (S line Sports suspension 30mm lower than standard – available in lieu of Sports suspension at no charge)

### Interior equipment

**3-spoke S line multi-function steering wheel** with paddle shift for automatic models

**Black headlining**

**Front Sports seats** including electric lumbar support

**Sprint cloth/leather upholstery** with S line embossing

**Jet grey stitching** to upholstery, steering wheel, gear lever gaiter and floor mats

**Matt-brushed aluminium inlays**

**Perforated leather gear knob**

**S line sill plates**

### Exterior equipment

**Headlight washers** for excellent illumination and improved visibility

**S line exterior styling package** including:
- S line side skirts
- S line front and rear bumpers
- S line diffuser insert in Platinum grey
- S line badges on wings

**Rear LED lights**

**Roof spoiler** (Avant models only)

**Side radiator grilles in black honeycomb structure**

**Single frame front radiator grille** with high gloss black horizontal bars

**Xenon headlights** with LED daytime-running lights

Diffuser insert in Platinum grey

Perforated leather gear knob

Xenon headlights

3-spoke multi-function steering wheel

RRP – Recommended Retail Price. VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

# Black Edition Plus model equipment

## In addition to S line model equipment

**Basic RRP**
£1,250.00

**Total RRP inc VAT**
£1,500.00

### Wheels, tyres and suspension

**19" x 8.5J '5-V-Spoke' design alloy wheels in matt titanium finish** with 255/35 R19 tyres

### Audio and communication

**Audi Music Interface –** connection for use with stereo audio sources, USB and MP3 devices including Apple iPod generation 4 onwards and Apple iPhone

**Bang & Olufsen sound system –** 14 high-performance speakers and 2 amplifiers which create 505 watts of stunning surround sound, balanced to suit the specific acoustic properties of the car's interior

### Safety and security

**Audi parking system plus –** acoustic and visual park assist system for the front and rear with MMI screen display; measurement is by ultrasonic sensors concealed in the bumpers

### Exterior equipment

**Black styling package –** front radiator grille-frame and window surround in high-gloss black, with radiator grille and number plate holder in matt black. Avant models include black roof rails

**Privacy glass –** dark tinted from B-pillar backwards (Avant models only)

**Gloss black exterior mirror housings***

**Enhanced rear spoiler** on the luggage compartment lid

**Dynamic front bumper** with large air inlets and blade in high gloss black

**Side sill trims and diffuser frame** in high-gloss black

### Interior equipment

**3-spoke multi-function flat-bottomed steering wheel** with paddle shift for automatic models

**Piano finish black inlays**

**Stainless steel pedals** (only available on automatic models)

Audi Music Interface

Bang & Olufsen sound system

3-spoke multi-function flat-bottomed steering wheel

*Please note that on Black Edition Plus models ordered in Mythos black, the exterior mirror housings are also in Mythos black.
RRP – Recommended Retail Price. VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

Image shows the A4 Avant Black Edition Plus model with Misano red, pearl effect paint (N9)

# A4 allroad model equipment

## In addition to Avant quattro SE model equipment

**Basic RRP**
£837.50

**Total RRP inc VAT**
£1,005.00

The A4 allroad quattro combines the assertive look of an off-road vehicle with the elegance of an Avant. With increased body height and a wider wheel track, the A4 allroad quattro makes a powerful impression. And the quality of your ride is also enhanced, using suspension technology developed specifically for the allroad quattro for a reliable and consistent off-road drive. Alongside greater stability, you'll also have outstanding grip in the most demanding conditions thanks to our quattro permanent all-wheel-drive system and ESP off-road detection, both of which come as standard. So whether you're on or off the road, the A4 allroad quattro is just as capable.

### Wheels, tyres and suspension

**18" x 8J '10-spoke' design alloy wheels** with 245/45 R18 tyres

**37mm suspension lift over standard A4**

**Collapsible spare wheel**

**Off-road detection system –** recognises the quality of the ground and adjusts the ESP accordingly

### Interior equipment

**Door sill trims** with allroad quattro logo

**Load-area fixing kit –** includes load-area rails, telescopic bar and securing belt for dividing up luggage compartment

**Reflex finish inlays** in Steel grey

**Reversible luggage compartment floor mat –** can be reversed to provide a rubber mat which extends to cover the entire load area and protect rear bumper

**Storage package –** comprising storage nets on front seat back-rests, storage compartment under the front seats, drinks holder in the rear centre armrest and a lockable glove compartment

### Exterior equipment

**A4 allroad single frame grille** with vertical chrome bars

**Bumpers in contrasting paint finish** (please see page 59 for colour guide)

**Headlight washers** for excellent illumination and improved visibility

**High roof rails**

**Off-road aluminium package –** including roof rails, roof frame and window capping strips in aluminium, B-pillar trim and triangular panels on the rear doors in high-gloss black and sill extensions with stainless steel insert

**Roof rails** in bright finish

**Underbody protection** in stainless steel

**Wheel arch and sill extensions**

### Seats

**Tundra cloth upholstery**

Door sill trims with allroad quattro logo

High roof rails

Underbody protection in stainless steel

RRP – Recommended Retail Price. VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

Image shows the A4 allroad model with optional Moonlight blue, metallic paint (W1)

# A4 allroad Sport model equipment

## In addition to allroad model equipment

**Basic RRP**
£2,041.67

**Total RRP inc VAT**
£2,450.00

### Wheels, tyres and suspension

**19" x 8J '5-arm Structure' design alloy wheels** with 245/40 R19 tyres

**Audi drive select.** Changes your car's handling and responses at the touch of a button to suit the way you want to drive. Enables the driver to alter the throttle response, the shift point of the automatic transmission and the power steering feel between the four pre-set modes (comfort, dynamic, auto and efficiency). Efficiency mode also adjusts the climate control and the cruise control for consumption improvement

### Interior equipment

**Front Sports seats** including electric lumbar support

**Leather/Alcantara combination upholstery**

**Aluminium trigon inlays**

### Exterior equipment

**Xenon headlights with LED**

**daytime-running lights**

**Rear LED lights**

**Privacy glass –** dark tinted from B-pillar backwards

19" x 8J '5-arm Structure' design alloy wheels

Xenon headlights

RRP – Recommended Retail Price. VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

## S4 quattro model equipment

## In addition to SE model equipment

One look at its muscular body styling, 18" alloy wheels and subtle S4 badging, and it'll come as no surprise that the Audi S4 features a powerful 3.0-litre V6 supercharged engine, capable of taking you from 0 to 62mph in 5 seconds. And from the comfort and stability of a stylish leather/Alcantara Sports seat, you can sit back and enjoy every single unit of this engine's 333PS capability – not to mention the roadholding of quattro permanent all-wheel-drive.

But sleek styling and powerful performance in the S4 don't come at the expense of functional, driver-oriented specifications. Simple yet thoughtful touches, such as the matt-brushed aluminium inlays, 'S' instrument dials and electric front Sports seats have been included to ensure that your life runs as smoothly as your Audi does.

### Wheels, tyres and suspension

**18" x 8.5J '5-double-spoke S' design alloy wheels** with 245/40 R18 tyres

**'S' sports suspension** with stiffer spring and damper tuning for more direct contact with the road and sportier handling

### Safety and security

**'S' model enhanced braking system**

### Interior equipment

**3-spoke 'S' Sports multi-function steering wheel** with aluminium-look paddle shift

**Aluminium scuff plates**

**Interior lighting package –** includes front and rear footwell lighting, active door reflectors, illuminated vanity mirrors, rear reading lights, entrance lights and illuminated glove compartment, vents and internal door controls

**Inlays in matt-brushed aluminium**

**'S' instrument cluster**

### Exterior equipment

**4-oval twin tailpipes in chrome finish**

**Aluminium-effect door mirror housings**

**Headlight washers** for excellent illumination and improved visibility

**Integrated boot-lid spoiler** (Saloon models only)

**LED tail-lights**

**Painted brake calipers with S4 logo** (on front brakes only)

**Platinum grey single frame front radiator grille** with chrome horizontal bars

**Roof spoiler** (Avant models only)

**'S' front and rear bumpers and side skirt**

**Xenon headlights** with LED daytime-running lights

### Seats

**Sports seats** with electric adjustment and lumbar support

**Leather/Alcantara upholstery**

Optional S4 Super Sports seats

'S' instrument dial

Oval twin tailpipes in chrome finish

Image shows S4 Saloon model with optional Misano red, pearl effect paint (N9)

## S4 quattro Black Edition model equipment

## In addition to S4 model equipment

**Basic RRP**
£895.93

**Total RRP inc VAT**
£1,075.00

### Wheels, tyres and suspension

**19" x 8.5J '5-arm Rotor' design titanium finish alloy wheels** with 255/35 R19 tyres

### Audio and communication

**Audi Music Interface** provides connection for use with stereo audio sources, USB and MP3 devices including Apple iPod generation 4 onwards and Apple iPhone

**Bang & Olufsen sound system** provides surround sound reproduction with dynamic compensation for road noise, digital amplifier and 14 high-performance loudspeakers (505 watts)

### Safety and security

**Audi parking system plus** – acoustic and visual park assist system for the front and rear with MMI screen display; measurement is by ultrasonic sensors concealed in the bumpers (Saloon models only)

### Exterior equipment

**Black styling package –** front radiator grille-frame and window surround in high-gloss black, with radiator grille and number plate holder in matt black. Avant models include black roof rails

**Privacy glass –** dark tinted from B-pillar backwards (Avant models only)

### Interior equipment

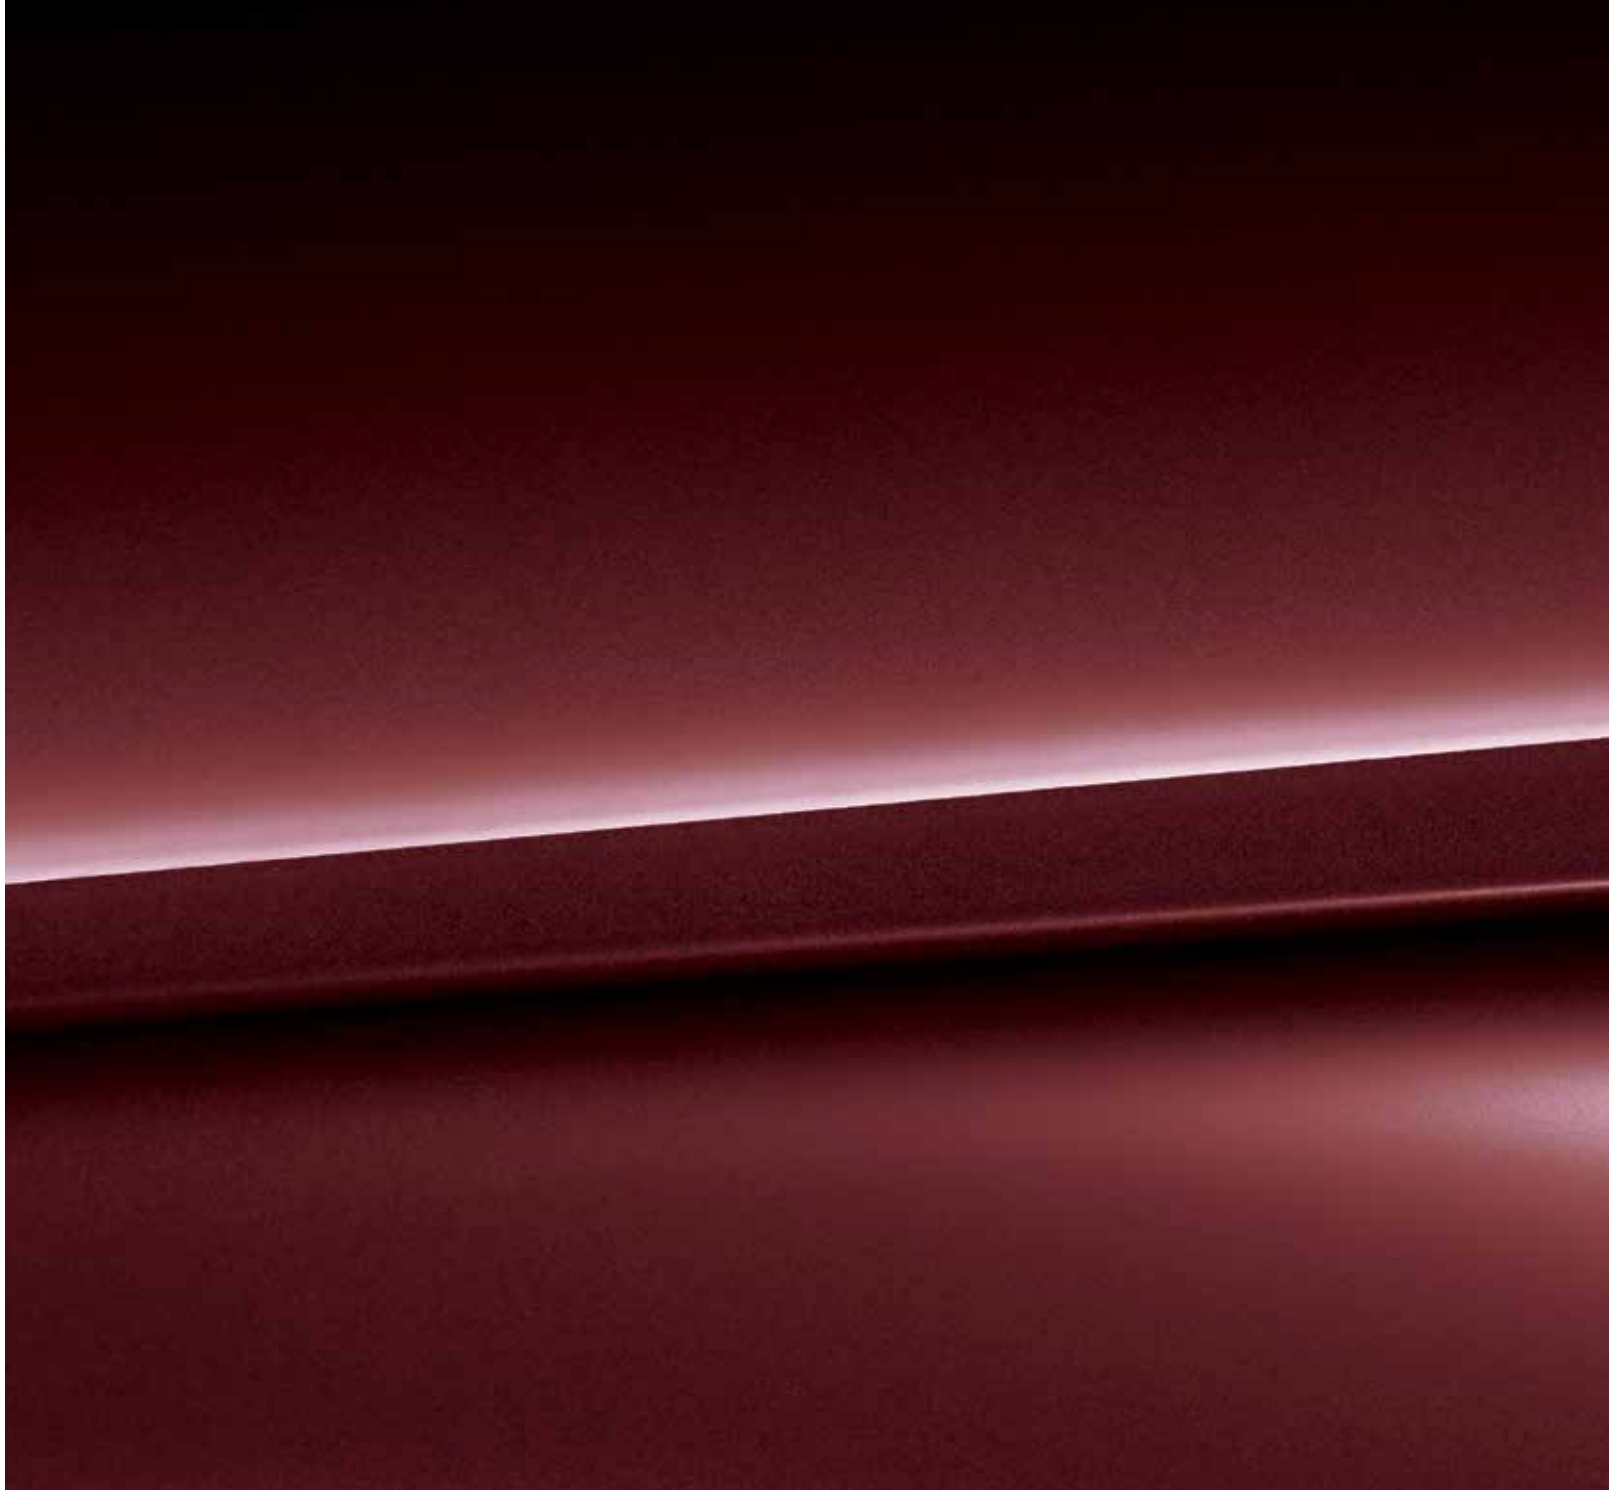
# Audi exclusive

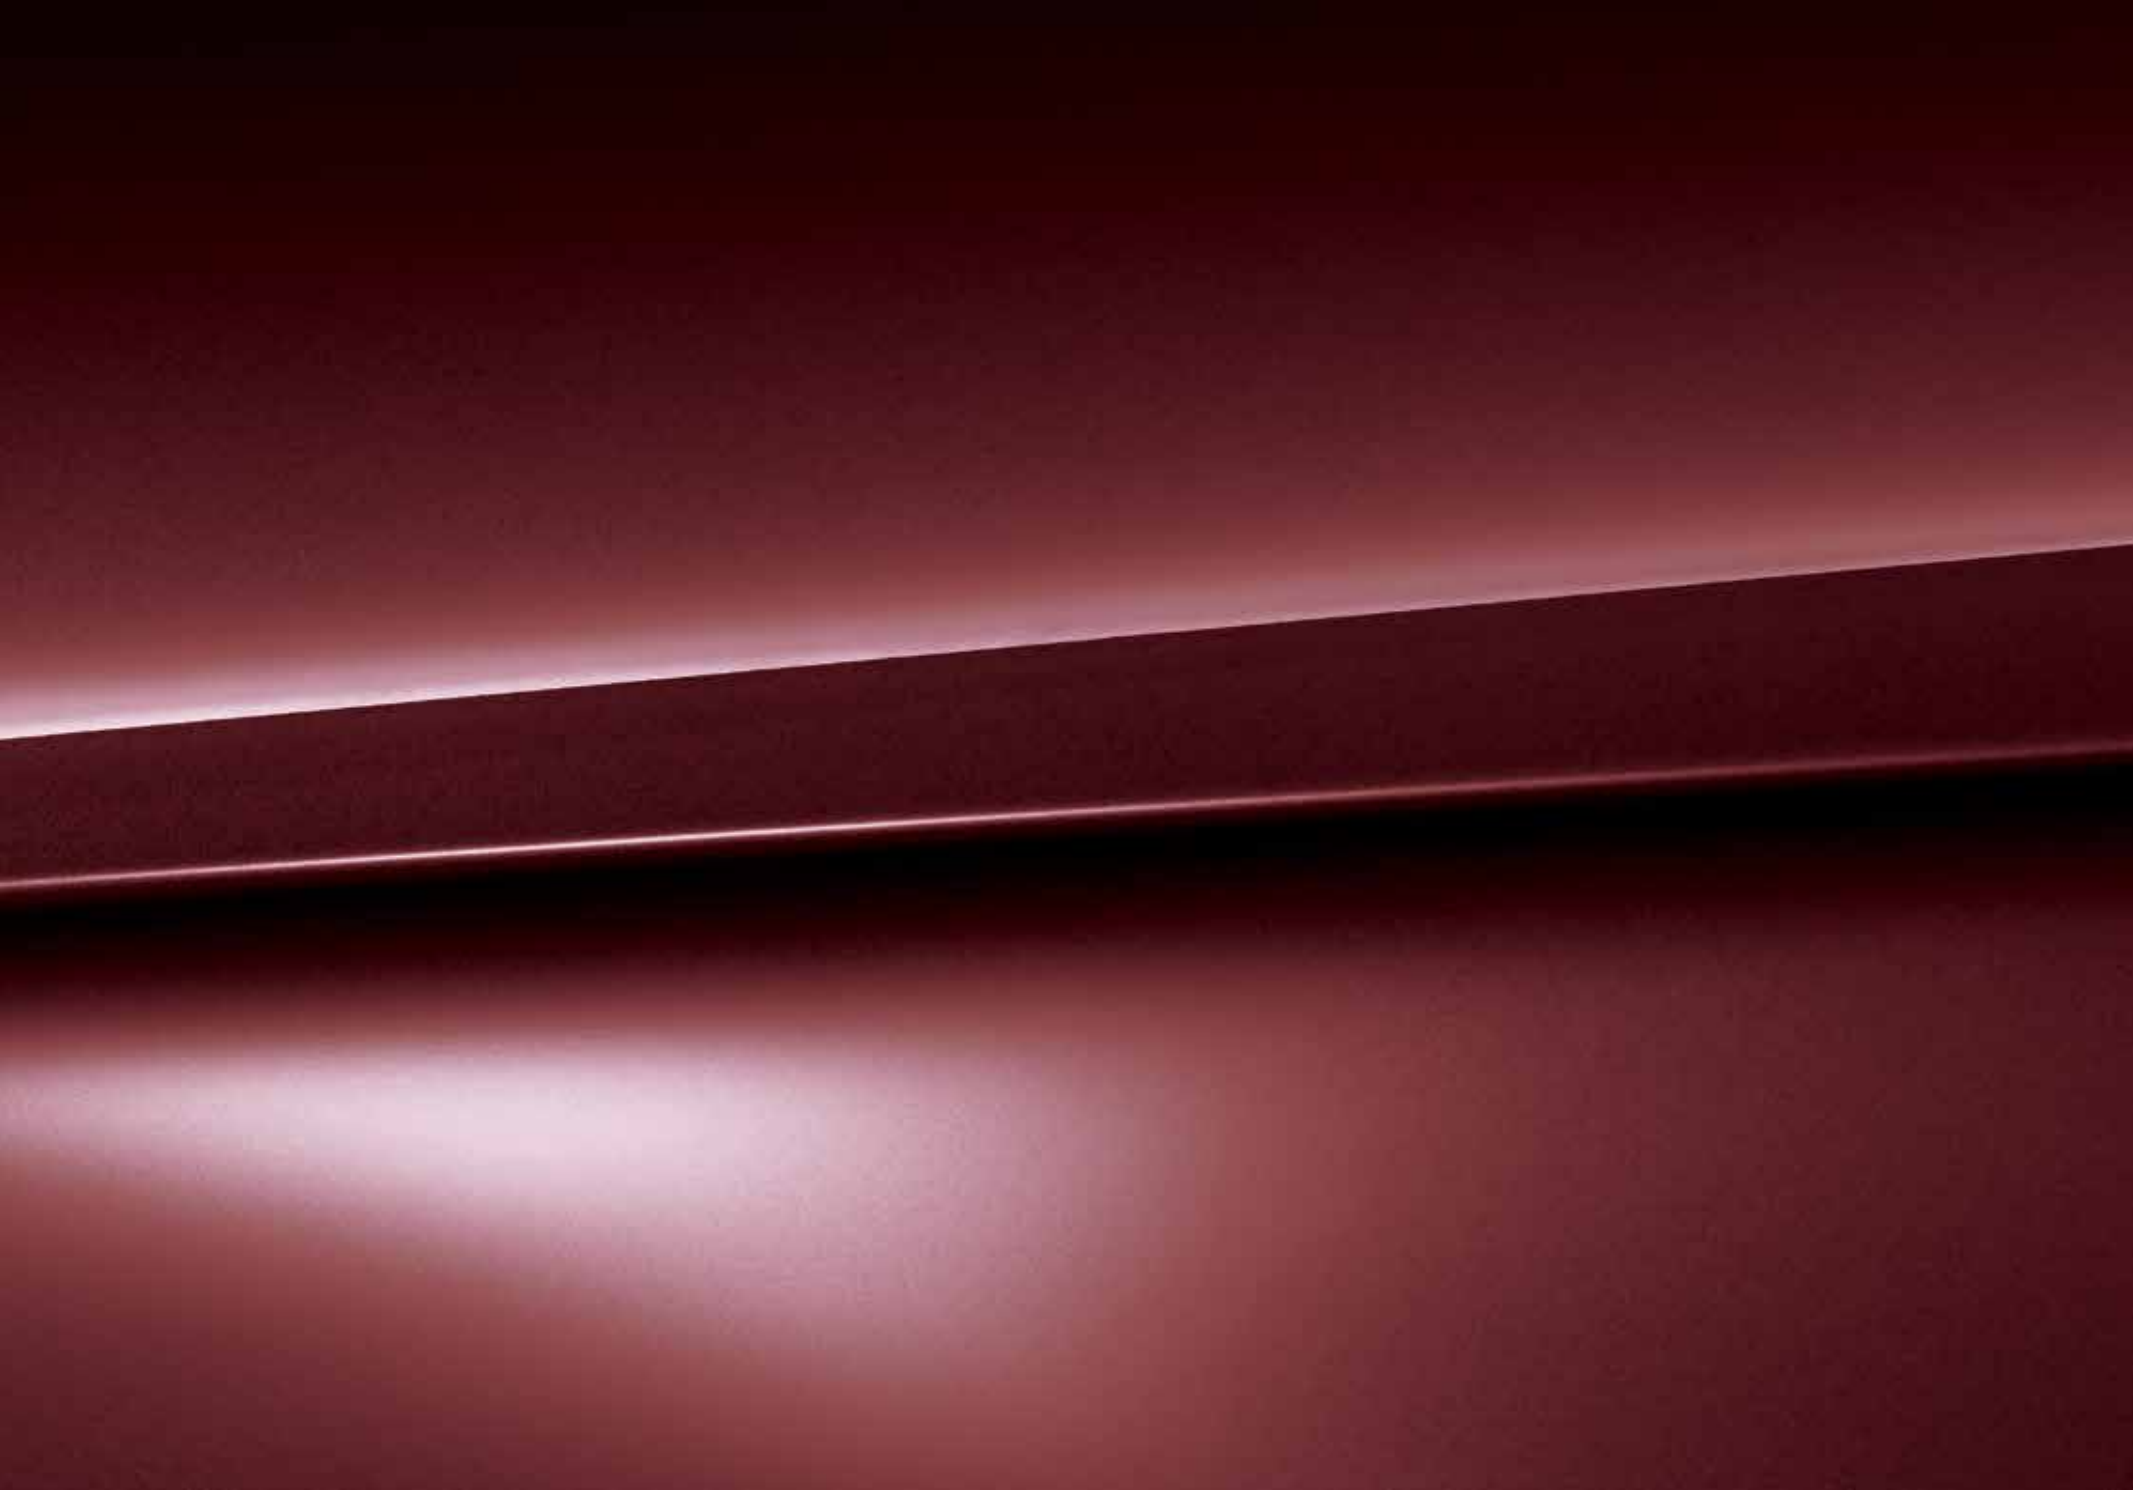
Every Audi is intrinsically exclusive.
It's the breathtaking design, the exceptional engineering, the Vorsprung durch Technik. But for that special touch you can specify your Audi A4 with options from Audi exclusive. Whether you want a unique, custom-mixed paint colour or seats in a combination of complementary shades, Audi exclusive will enable you to drive the car you've always imagined.

Both the exclusive and standard options can be found on the following pages.

# Paint

We believe that every part of your car should have a personal touch. Which is why you can choose from a wide range of paint colours and finishes, from standard shades to metallic and pearl effects. We can even mix a customised colour for you to create the perfect fit.





# Paint

You can select one of the standard colours shown opposite or, for a different look, choose from a range of optional finishes.

**Options are subject to availability and may extend delivery.**

*Not available on A4 allroad or S4.

**Not available on S4.

***On SE Technik trim the optional colours have no charge.

†Not available on Black Edition Plus models.

All the colour swatches on this page are matched as accurately as possible to the actual paint colours used. However, due to print processes, Audi UK cannot guarantee that colours shown are 100% accurate.

Visit your local Audi Centre for a more accurate colour swatch.

RRP – Recommended Retail Price.

VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

# Upholstery

## Audi exclusive

With Audi exclusive, you can specify your seats in Valcona leather or Valcona leather/Alcantara, from an array of different colours shown to the right.

Select just one all-over shade for each seat, or customise each panel in two or more complementary colours from the distinctive Audi exclusive palette. You can even choose the colour of the decorative stitching – to match or contrast with your chosen upholstery – from this varied collection. Whatever combination you decide upon, we are sure you'll be extremely satisfied with the result.

# Options

Every driver has different needs, which is why we have created some useful options to further enhance your car. For extra comfort, support, style or function, you can choose from a variety of additional features, tailoring everything from your infotainment and audio equipment to your wheels and lighting.

# Wheels, tyres and suspension

Choose a set of specially-selected alloy wheels to subtly enhance the way your car looks and drives. And you can also specify Audi drive select, which allows you to change suspension and steering settings according to your driving style.

18” x 8J ‘10-spoke Dynamic’ design alloy wheels – **PRQ**

18” x 8J ‘5-arm Avus’ design alloy wheels – **PRL**

18” x 8J ‘10-spoke' Exclusive design alloy wheels – **PQ5**

19” x 8.5J ‘5-segment-spoke’ design alloy wheels – **PQ6**

# Packages

Some items work well together, which is why we've created these special packages. They provide increased convenience and value by combining several of our most popular options.

| Order Code | | | SE | SE Technik | S line | Black Edition Plus | A4 allroad | A4 allroad Sport | S4 quattro | S4 Black Edition | Basic RRP | Total RRP inc VAT |
|---|---|---|---|---|---|---|---|---|---|---|---|---|
| WB7 7X4 | **Technology package**<br>Includes the following features:<br>**MMI Navigation system plus.** Hard disk navigation with topographical map display, places of interest and town models in 3D, with high-resolution 7" colour TFT display. The system offers three alternative routes, with the ability to scroll along the selected route and manoeuvre within the map. Uses 7-digit postcode recognition. Includes split-screen mode for route information, dynamic route guidance (TMC), intersection zoom function, motorway exits and lane recommendations in Driver's Information System (DIS). Includes 2 SD card readers, single CD/DVD player, 40GB hard drive and Jukebox (20GB) for storing and managing music files in WMA and MP3 format. Includes European navigation data (where digitised)<br>Additional functionality is available when combined with optional Mobile telephone preparation – High with Audi Connect (9ZW). For more details please see option 9ZW, featured in the options section of the guide<br>**Audi Music Interface.** Connection for use with stereo audio sources, USB and MP3 devices including Apple iPod generation 4 onwards and Apple iPhone<br>**Audi parking system plus.** Acoustic and visual park assist system for the front and rear (Standard on S4 Saloon Black Edition models) | | ● | S | ● | – | ● | ● | ● | – | £1,412.50 | £1,695.00 |
| | | | – | – | – | ● | – | – | – | – | £929.17 | £1,115.00 |
| | | Avant | – | – | – | – | – | – | – | ● | £1,200.00 | £1,440.00 |
| | | Saloon | – | – | – | – | – | – | – | ● | £929.17 | £1,115.00 |
| PCB WB7 | **Technology package – Advanced**<br>Includes all the features of Technology package as well as:<br>**Adaptive cruise control with braking guard.** Intelligent automatic speed and distance control system. Works at speeds from 20-100mph*, using radar sensors to measure and maintain required distance to vehicle ahead by braking and accelerating. Four programs (distance 1 to distance 4) set via steering column controls of the cruise control system. Includes Audi braking guard – a system which triggers a visual and acoustic alarm when it detects the risk of a rear end collision with the vehicle in front. At speeds below 20mph the system can initiate partial braking or full deceleration if a potential impact is detected to help prevent a collision, or if it is not possible to completely prevent a collision, the system will focus on reducing the speed at which the vehicles collide<br>**Audi active lane assist.** Helps the driver to stay in lane with gentle steering impulses for greater safety and convenience, particularly on motorways and country roads. The system informs the driver if the car is drifting out of its lane unintentionally above approximately 37mph. Not available on TDIe 136PS models | | – | – | ● | – | ● | ● | ● | – | £1,933.33 | £2,320.00 |

| PT5 | **Mobile telephone preparation – Low with Bluetooth and voice control.** Provides hands free connection via Bluetooth using mobile phone aerial. Alternatively, it can use a cradle with charging facility for optimal reception via external aerial. Located in front centre armrest. Cradle available at extra cost – please contact your Audi Centre for phone compatibility | ● | ● | ● | ● | ● | ● | – | – | £145.83 | £175.00 |
| 9ZW | **Mobile telephone preparation – High with Audi Connect.** Audi Connect provides access to a number of innovative online services via an internal UMTS (3G) module. Audi Connect online services include: navigation using Google Earth™ images and Google Street View™, destination entry via Google Maps™ or myAudi, online point of interest search and information services such as weather forecasts and the latest world news. Audi Connect also includes Audi traffic information online, which gives accurate real-time forecasts of the traffic situation along the chosen route. The traffic situation can be displayed on the navigation map or Google Earth™ image. Audi Connect can also create a WiFi hotspot in the car for convenient internet access using a mobile device (e.g. laptop or tablet). Many Audi Connect features can be simply operated via MMI Navigation Plus, the multi-function steering wheel or the voice control system<br>**Important connectivity information:** An external data source is required to enable the Audi Connect online services. One of the two following external data sources can be used[1]:<br>1. a mobile telephone with Bluetooth SIM Access Profile[2]<br>2. a separate SIM card which can be inserted in the included SIM card reader. When a separate SIM card is used, hands free phone calls are possible using the SIM card or by connecting a different mobile telephone via Bluetooth Hands Free Profile<br>Only in combination with a Technology Package (WB7 or PCB) | ● | ● | ● | ● | ● | ● | ● | ● | £291.67 | £350.00 |
| UF7 | **Audi Music Interface.** Provides connection for use with stereo audio sources, USB and MP3 devices including Apple iPod generation 4 onwards and Apple iPhone. Provides intuitive control through the audio system and multi-function steering wheel. It also replicates the iPod display on the audio screen and DIS, including track titles. The interface provides a charging function (dependent on device). Includes 2 cables to connect your iPod or USB MP3 device. Also available as part of Technology packages | ● | S | ● | S | ● | ● | ● | S | £212.50 | £255.00 |
| 7D1 | **CD changer and DVD player.** 6-CD changer located in the glove box and single CD/DVD slot in centre console. Only available in combination with a Technology package (WB7 or PCB) | ● | ● | ● | ● | ● | ● | ● | ● | £254.17 | £305.00 |
| 9WM | **Rear Seat Entertainment.** Includes two detachable DVD players/monitors fitted to the back of each front seat (supplied by Audi Genuine Accessories). The back of each front seat is fitted with mountings and power connections. The system can be used outside the car with a rechargeable battery or mains power connection, which is included in the package. Includes individual remote controls and two sets of headphones. Not available in combination with S4 front Super Sports seats (PS6) | ● | ● | ● | ● | ● | ● | ● | ● | £875.00 | £1,050.00 |
| QU6 | **Digital TV reception.** Reception of digital (DVB-T) uncoded television stations (MPEG-2 standard), TV picture, teletext and Electronic Programme Guide (EPG). Facility to connect 2 external AV sources via adaptor cables (available from Audi Genuine Accessories). Please note: TV reception depends on local digital network availability. No AV or TV video output when driving (audio output available when driving). Only available in combination with a Technology package (WB7 or PCB). Not available on Avant TDI ultra models | ● | ● | ● | ● | ● | ● | ● | ● | £687.50 | £825.00 |

| PG3 | **Advanced key**. Access and authorisation system which automatically exchanges data between key and vehicle, allowing the driver to keep the key in their pocket or bag at all times. To unlock and open, simply lift the exterior door handle. To lock, press the button on the handle. Pressing the Start-Stop button integrated in the centre console starts and stops the engine. Not available on Saloon TDIe 136PS models | • | • | • | • | • | • | • | • | £391.67 | £470.00 |
| 8T4 | **Adaptive cruise control with braking guard.** Intelligent automatic speed and distance control system. Works at speeds from 20–100mph*, using radar sensors to measure and maintain required distance to vehicle ahead by braking and accelerating. Four programmes (distance 1 to distance 4) set via steering column controls of the cruise control system. Includes Audi braking guard – a system which triggers a visual and acoustic alarm when it detects the risk of a rear end collision with the vehicle in front. At speeds below 20mph the system can initiate partial braking or full deceleration if a potential impact is detected to help prevent a collision, or if it is not possible to completely prevent a collision, the system will focus on reducing the speed at which the vehicles collide. Not available on TDIe 136PS models | – | • | • | • | • | • | • | • | £750.00 | £900.00 |
| VC1 | **Garage door opener (Homelink®**).** Programmable radio-operated remote control for compatible doors/gates. Control buttons integrated in the front roof module. Not available on Saloon TDIe 136PS models | • | • | • | • | • | • | • | • | £150.00 | £180.00 |

|---|---|---|---|---|---|---|---|---|---|---|---|
| 7X4 | **Audi parking system plus.** Acoustic and visual park assist system for the front and rear with MMI screen display; measurement is by ultrasonic sensors concealed in the bumpers (standard on S4 Saloon Black Edition models). Also available as part of a Technology package (WB7 or PCB) | • | S | • | S | • | • | • | • | £270.83 | £325.00 |
| 7X8 | **Audi parking system advanced**. Aids parking by acoustically and visually indicating distances to obstacles with guiding lines. Measured by sensors and reversing camera. Only available in combination with a Technology package. Not available on Saloon TDIe 136PS models | • | • | • | • | • | • | • | • | £283.33 | £340.00 |
| UH2 | **Audi hill-hold assist.** Uses either the ESP system or electromechanical parking brake to hold the vehicle stationary | • | • | • | • | • | • | • | • | £54.17 | £65.00 |
| 7Y4 | **Audi active lane assist.** Helps the driver to stay in lane with gentle steering impulses for greater safety and convenience, particularly on motorways and country roads. The system informs the driver if the car is drifting out of its lane unintentionally above approximately 37mph. The driver has the choice of two system settings in the MMI:<br>- Early steering intervention – continuously helps the driver to stay in lane with steering impulses that centre the vehicle in its lane<br>- Late steering intervention – alerts the driver that the vehicle is possibly crossing the lane markings at the same time as providing a corrective steering prompt<br>An additional warning in the form of the vibrating steering wheel is issued when lane markings are crossed, if specified by driver. Not available on Saloon TDIe 136PS models in combination with Audi side assist | • | • | • | • | • | • | • | • | £308.33 | £370.00 |
| 7Y1 | **Audi side assist.** Aids the driver when changing lane. Audi side assist monitors the area behind your car, using radar sensors located discreetly in the rear bumper, informing the driver with a visual warning signal in the door mirror if there is a vehicle in their blind spot or approaching quickly from behind. The system is activated using a button in the driver's door. Not available on Saloon TDIe 136PS models in combination with Audi active lane assist | • | • | • | • | • | • | • | • | £366.67 | £440.00 |
| 4X4 | **Rear side airbags.** For the outer rear seats, incorporated into the seat backrests; supplement the side impact protection in the doors and the head airbag system | • | • | • | • | • | • | • | • | £212.50 | £255.00 |

# Looking after your Audi

When you've chosen your ideal model, it's reassuring to know that it will remain in safe hands. That's why we've created products to protect your Audi, from extended warranties to Audi Complete – our comprehensive service and maintenance package. And there's also a range of Audi accessories and merchandise to choose from, enabling you to further enhance and safeguard your car.

# Audi Complete

Audi Complete is simply a way to look after the servicing and maintenance costs for your Audi in a single package. You pay a one-off or monthly fee and we'll cover all your servicing, maintenance and tyres for the next three years, including your MOT. It means you only have to pay for fuel, insurance and your Road Fund Licence. So you can be reassured that your car will be maintained by trained Audi Technicians, using genuine Audi parts. You can also opt for our Service only or Service and Maintenance packages if you prefer.

*Retail customers only. Pricing correct at time of print and based on a 3 years/30,000 miles agreement. All pricing is a 'starting from' price for the Audi A4 model range and is therefore subject to change and mileage/model dependent. If you drive under 10,000 miles per annum your vehicle will be placed on a fixed inspection service schedule. If your mileage tends to exceed 10,000 miles per annum it will be placed on the Flexible Service schedule.

# Warranty

# Accessories

Choosing an Audi isn't just a matter of deciding on the model you want; it's about creating a car that suits your needs perfectly. And that's why we've developed a whole range of accessories to enhance your A4, enabling you to customise it down to the last detail. Like your Audi, all these accessories are developed to the highest possible standards. They're all available exclusively from Audi.

To find out more, just visit **audi.co.uk/accessories** or contact your local Audi Centre.

### Warranty

All the accessories available on the A4 are covered by a three-year warranty* if they are ordered and included in the purchase price of the car at date of delivery. Any accessories ordered and installed after delivery include a two-year warranty.*

*Excluding Road Angel products.
Audi Accessories warranty terms and conditions can be found at audi.co.uk

# Merchandise

From the enthusiasts' motorsport collection to the sophisticated Audi collection, there's a wide variety of adults' and children's clothing, lifestyle accessories and collectables, all of which bear the Audi name.

Please speak to a member of our team at your local Audi Centre to see the full Audi collection and to place an order. A selection of Audi merchandise is also available to buy from **audi.co.uk/merchandise**

# The Audi Difference

### The experts in Vorsprung durch Technik

Our Audi Approved Master Technicians have undergone an impressive 100,000 hours of training over a 10-year programme to ensure they have the latest technical expertise for maintaining and servicing your Audi. All our Service Advisors undergo a specialist induction and training to ensure they are Audi professionals and able to talk to you about any issues you may have with your Audi vehicle.

### Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you enhance the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

We offer two different schedules: the fixed Inspection Service and the Flexible Service schedule. The conventional fixed Inspection Service schedule has fixed intervals for the Oil-change Service and Inspection Service, which are determined by time and distance.

With the Flexible Service schedule, the Inspection Service intervals are also fixed but the Oil-change Service intervals are variable. Sensors take account of driving style and conditions to determine when the Oil-change Service is required and the driver is informed via the on-board service interval display.

The choice of Service Schedule will depend on journey type and mileage as well as individual driving style and conditions. The table to the right can be used for guidance but your Audi Centre will help you to determine the most suitable Service Schedule for you based on your individual circumstances and preferences.

**Fixed Inspection Service Schedule**

| | Vehicle usage: |
|---|---|
| Mileage | Less than 10,000 miles per annum<br>Mainly city/town centre driving.<br>Short journeys. |
| | **Service intervals:** |
| Oil-change Service | Fixed to every 9,000† miles/1 year |
| Inspection Service | Fixed to every 19,000† miles/2 years |

**Flexible Service Schedule**

| | Vehicle usage: |
|---|---|
| Mileage | More than 10,000 miles per annum<br>Motorway and main road driving.<br>Mainly longer distance journeys.<br>Constant speeds. |
| | **Service intervals:** |
| Oil-change Service | Variable to a maximum of every 19,000† miles/2 years |
| Inspection Service | Fixed to every 19,000† miles/2 years |

When a vehicle is frequently used in the following conditions, we recommend a Fixed Inspection Service Schedule, regardless of mileage:

Uneconomical driving styles, e.g. heavy acceleration and braking, constant use of high revs

High engine-loading conditions, e.g. frequent towing and hill climbs

†As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

### Your convenience comes first

At Audi you can choose from a range of convenient services that suit your needs. Why not book a 'service while you wait' appointment* and enjoy our complimentary refreshments while your car is with us? Or, if you need to be mobile, take advantage of one of our courtesy cars which we can even deliver to you.* We guarantee we can service your Audi within 5 days without a courtesy car or within 10 days if you need transport. We will also ensure your car is returned to you with a full valet.

### Audi Genuine Parts

You can rest assured that only Audi Genuine Parts will be used on your vehicle. What's more, Audi parts and labour come with a 2-year guarantee.**

### No hidden costs

We believe strongly in transparency when it comes to our prices. For added peace of mind, we will give you a quotation over the phone for the work you have requested and email you the price confirmation. We'll consult you if any additional work on your car is needed when it is with us. We won't carry out any extra work without asking your permission first.

### All part of the service

Whenever we see an Audi for a service, we connect it directly to our headquarters in Ingolstadt which enables us to check your car's software and make sure it's as up-to-date as possible. If the factory has released a software upgrade for your model, it can be applied immediately – improving anything from your car's efficiency to the precision of its parking system.

### Audi Roadside Assistance

Your new car comes complete with 3 years' complimentary roadside assistance and recovery across the UK, provided by Automobile Association Insurance Services Limited. Also included is roadside assistance throughout Europe, managed by Automobile Association Insurance Services Limited.

For further information and terms and conditions please visit audi.co.uk

*Subject to availability.

**Excludes wear and tear.

[1]The given value was obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC).

[2]Fuel consumption and $CO_2$ emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available at www.dft.gov.uk/vca

[3]Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 80/1268/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

[4]The engine's power output always goes down with increasing altitude. At 1,000m above sea level, and for every additional 1,000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle).

| Emission standard | EU6 | EU5 | EU5 | EU5 |

*Highest insurance group rating shown. Group may be lower dependent on trim level. Please visit www.thatcham.org/abigrouprating for details.

[1]The given value was obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC).

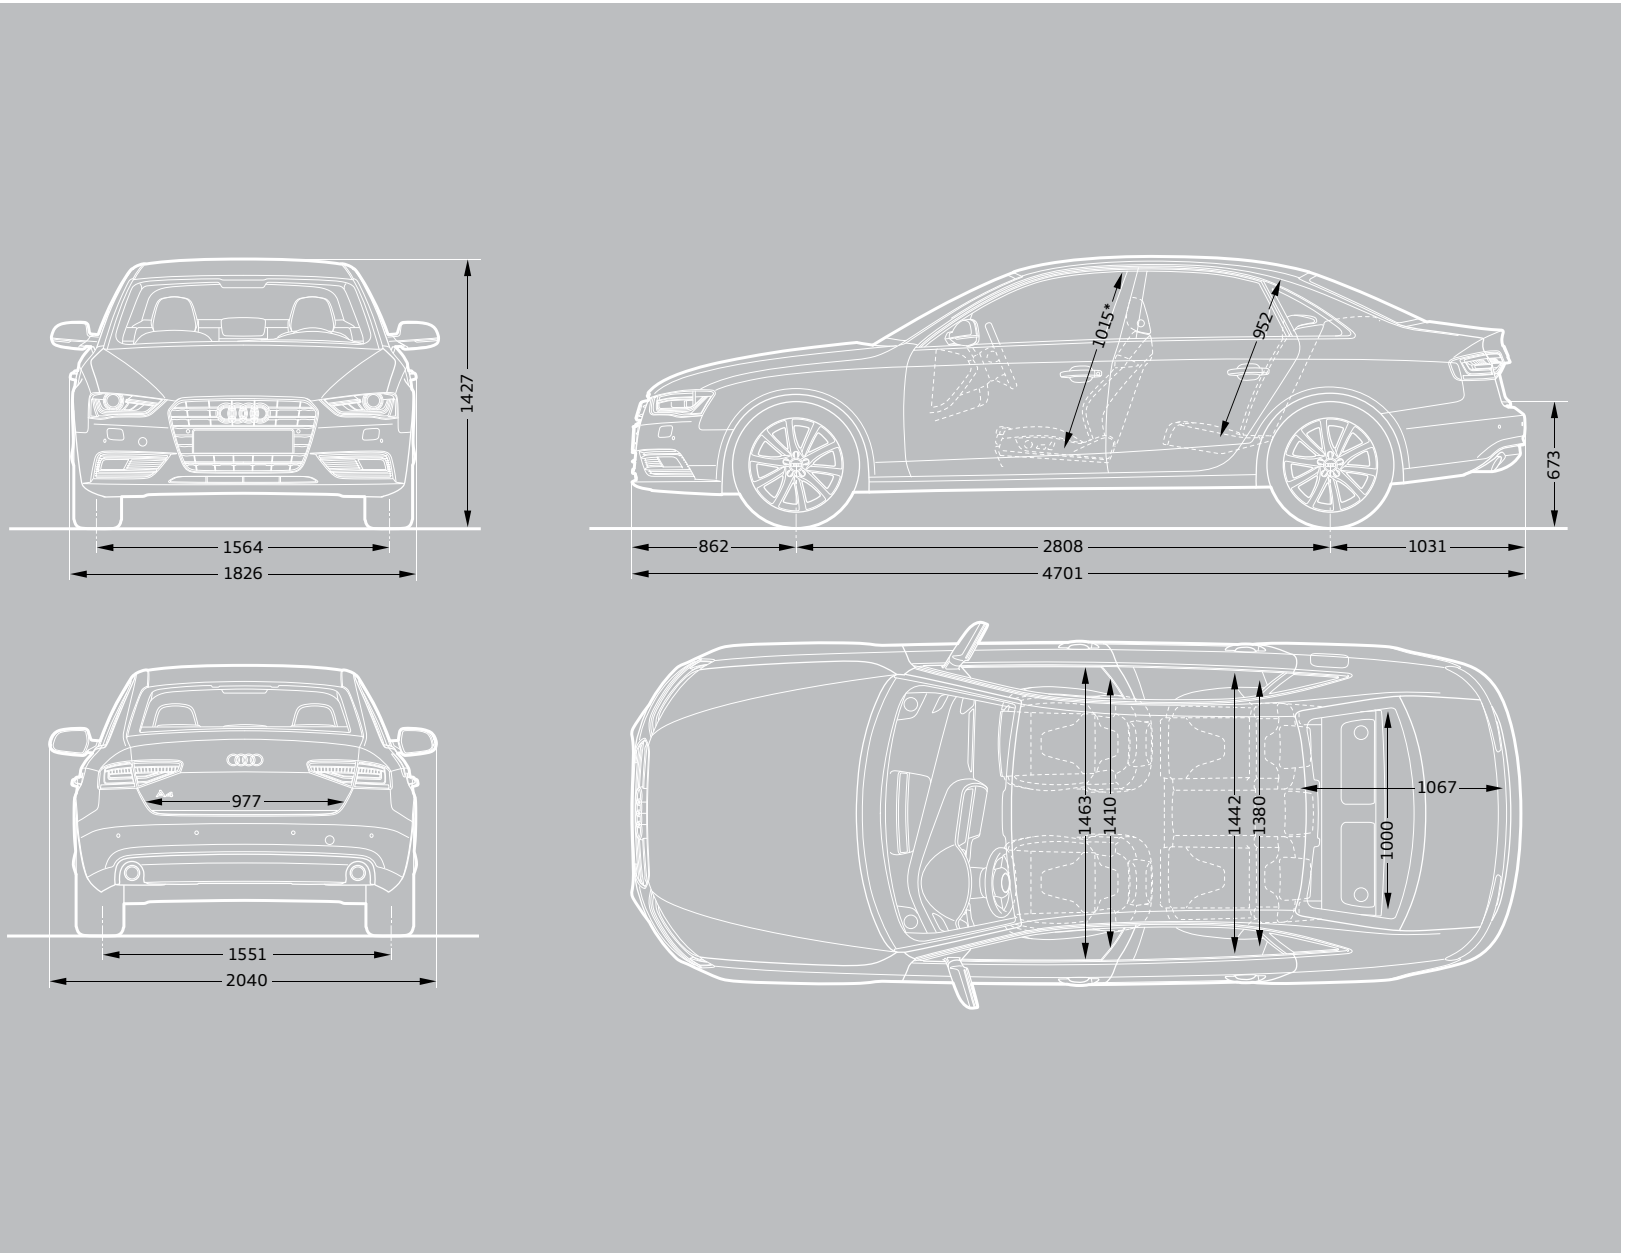
[2]Fuel consumption and $CO_2$ emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available at www.dft.gov.uk/vca

[3]Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 80/1268/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

[4]The engine's power output always goes down with increasing altitude. At 1,000m above sea level, and for every additional 1,000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle).

# A4 Saloon dimensions

The technical drawings opposite show the exact dimensions of the A4 Saloon, so you can check everything – from whether the car will fit in your garage to whether your luggage will fit in the boot.



*Maximum headroom.

Dimensions measured with vehicle at unladen weight, ground clearance measured with vehicle carrying its maximum load.

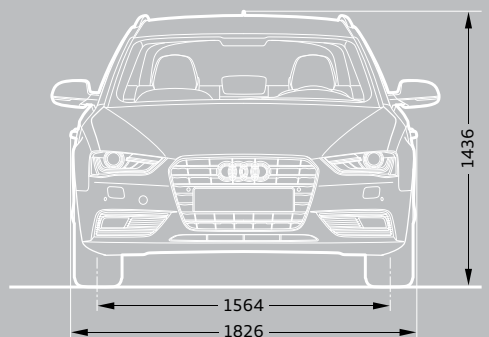
Luggage compartment volume in litres: 480/962 (measured by the VDA standard test method using 200 x 100 x 50mm blocks; second value: with rear seat folded down).

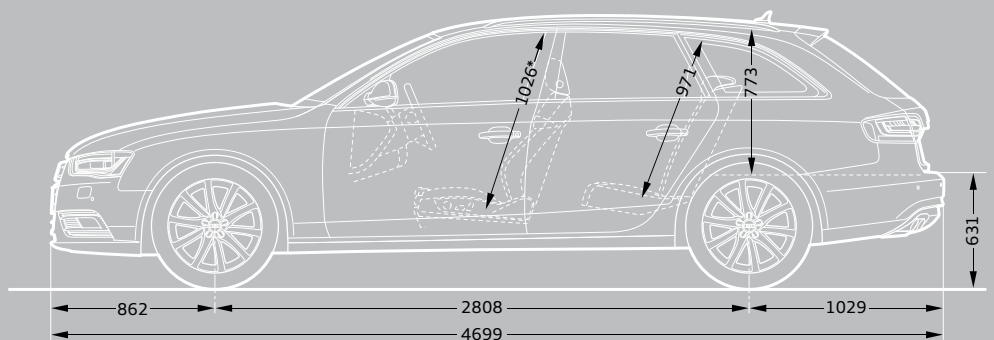
Turning circle approx 11.4m.

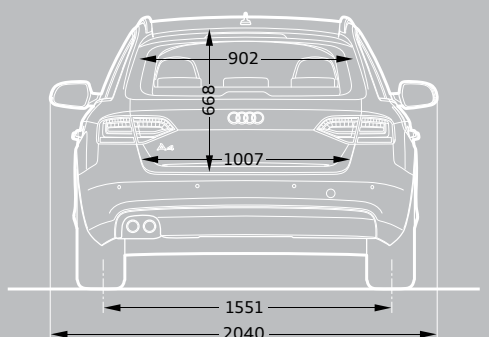
Dimensions in millimetres.

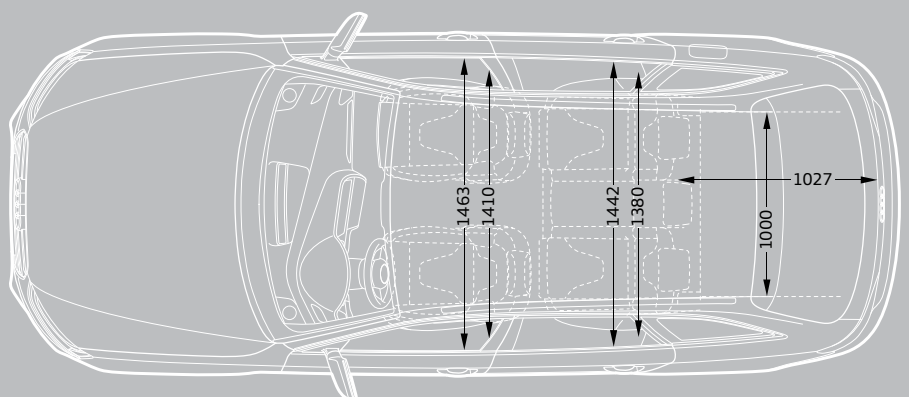
# A4 Avant dimensions

The technical drawings opposite show the exact dimensions of the A4 Avant, so you can check everything – from whether the car will fit in your garage to whether your luggage will fit in the boot.









*Maximum headroom.

Dimensions measured with vehicle at unladen weight, ground clearance measured with vehicle carrying its maximum load.

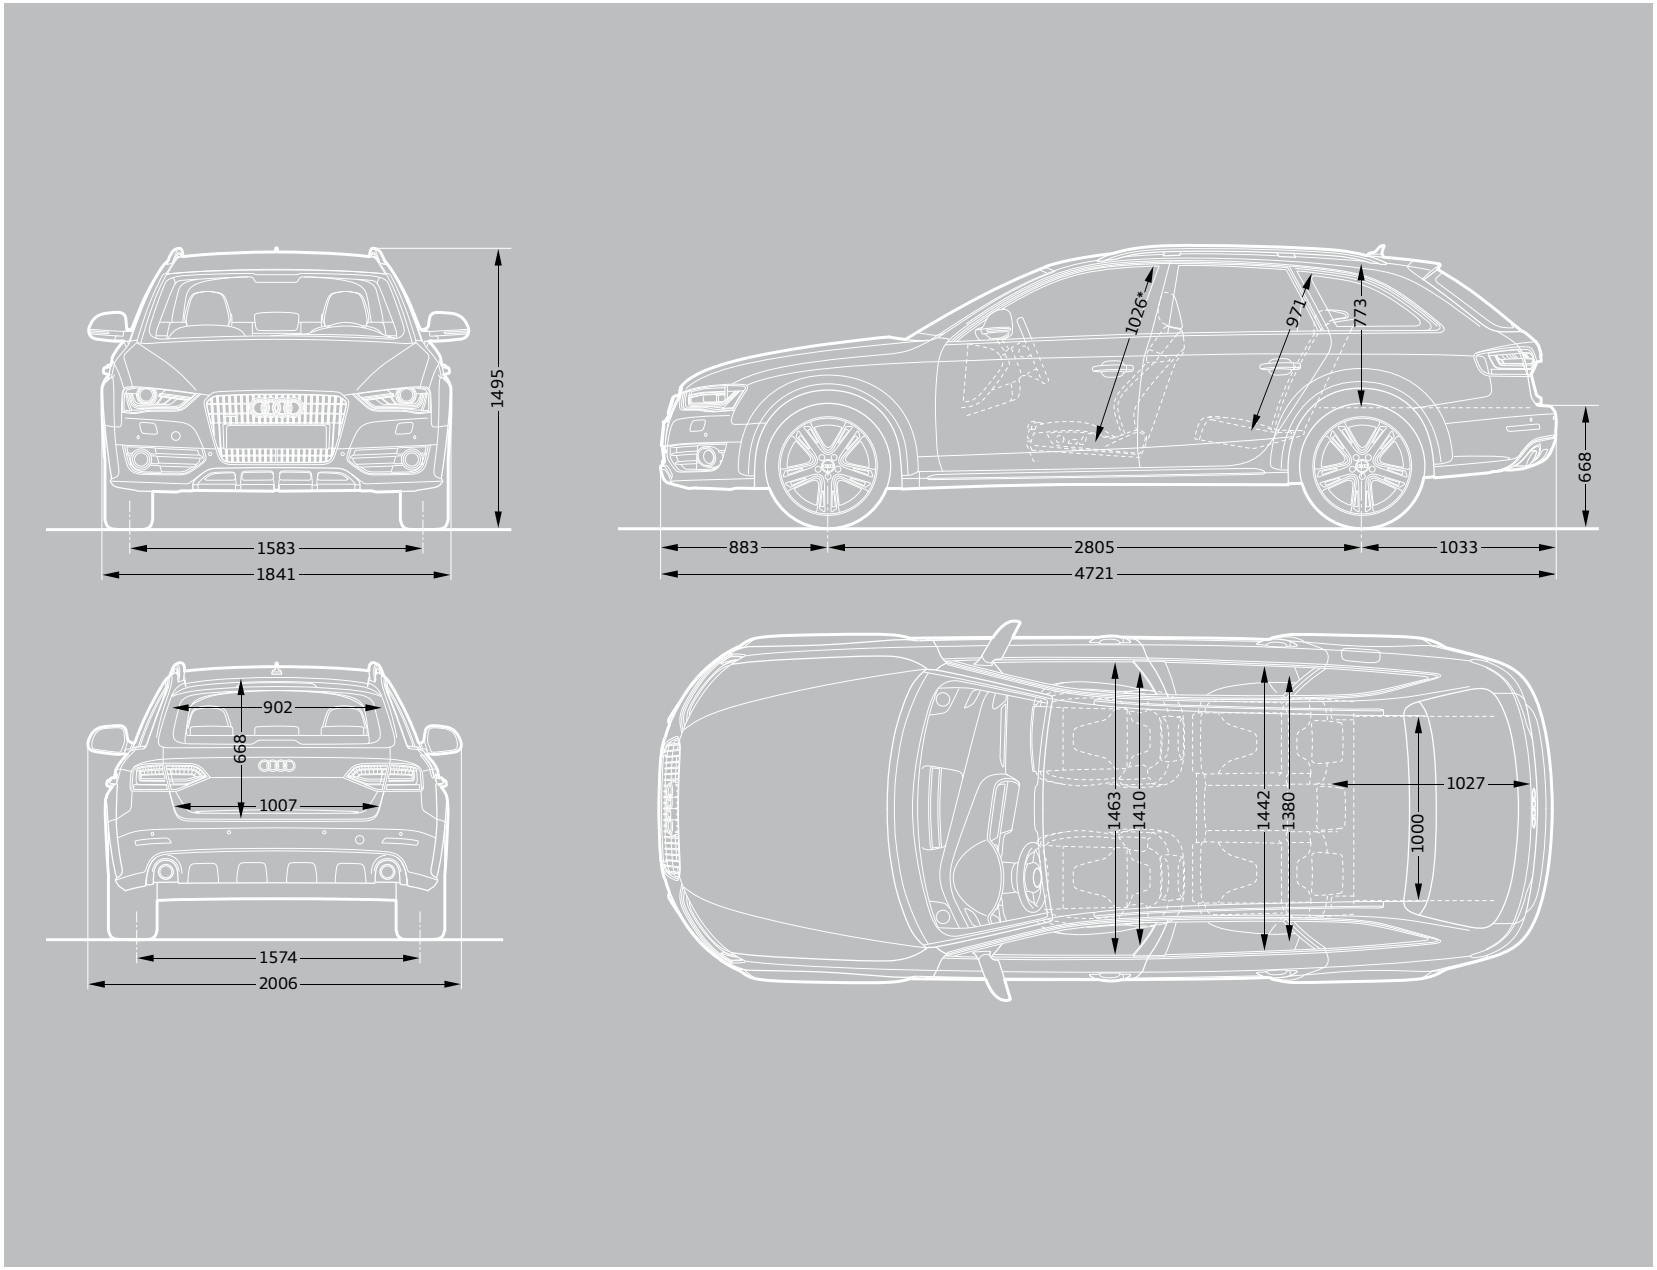
Luggage compartment volume in litres: 490/1430 (measured by the VDA standard test method using 200 x 100 x 50mm blocks; second value: with rear seat folded down).

Turning circle approx 11.4m.

Dimensions in millimetres.

# A4 allroad dimensions

The technical drawings opposite show the exact dimensions of the A4 allroad, so you can check everything – from whether the car will fit in your garage to whether your luggage will fit in the boot.



*Maximum headroom.

Dimensions measured with vehicle at unladen weight, ground clearance measured with vehicle carrying its maximum load.

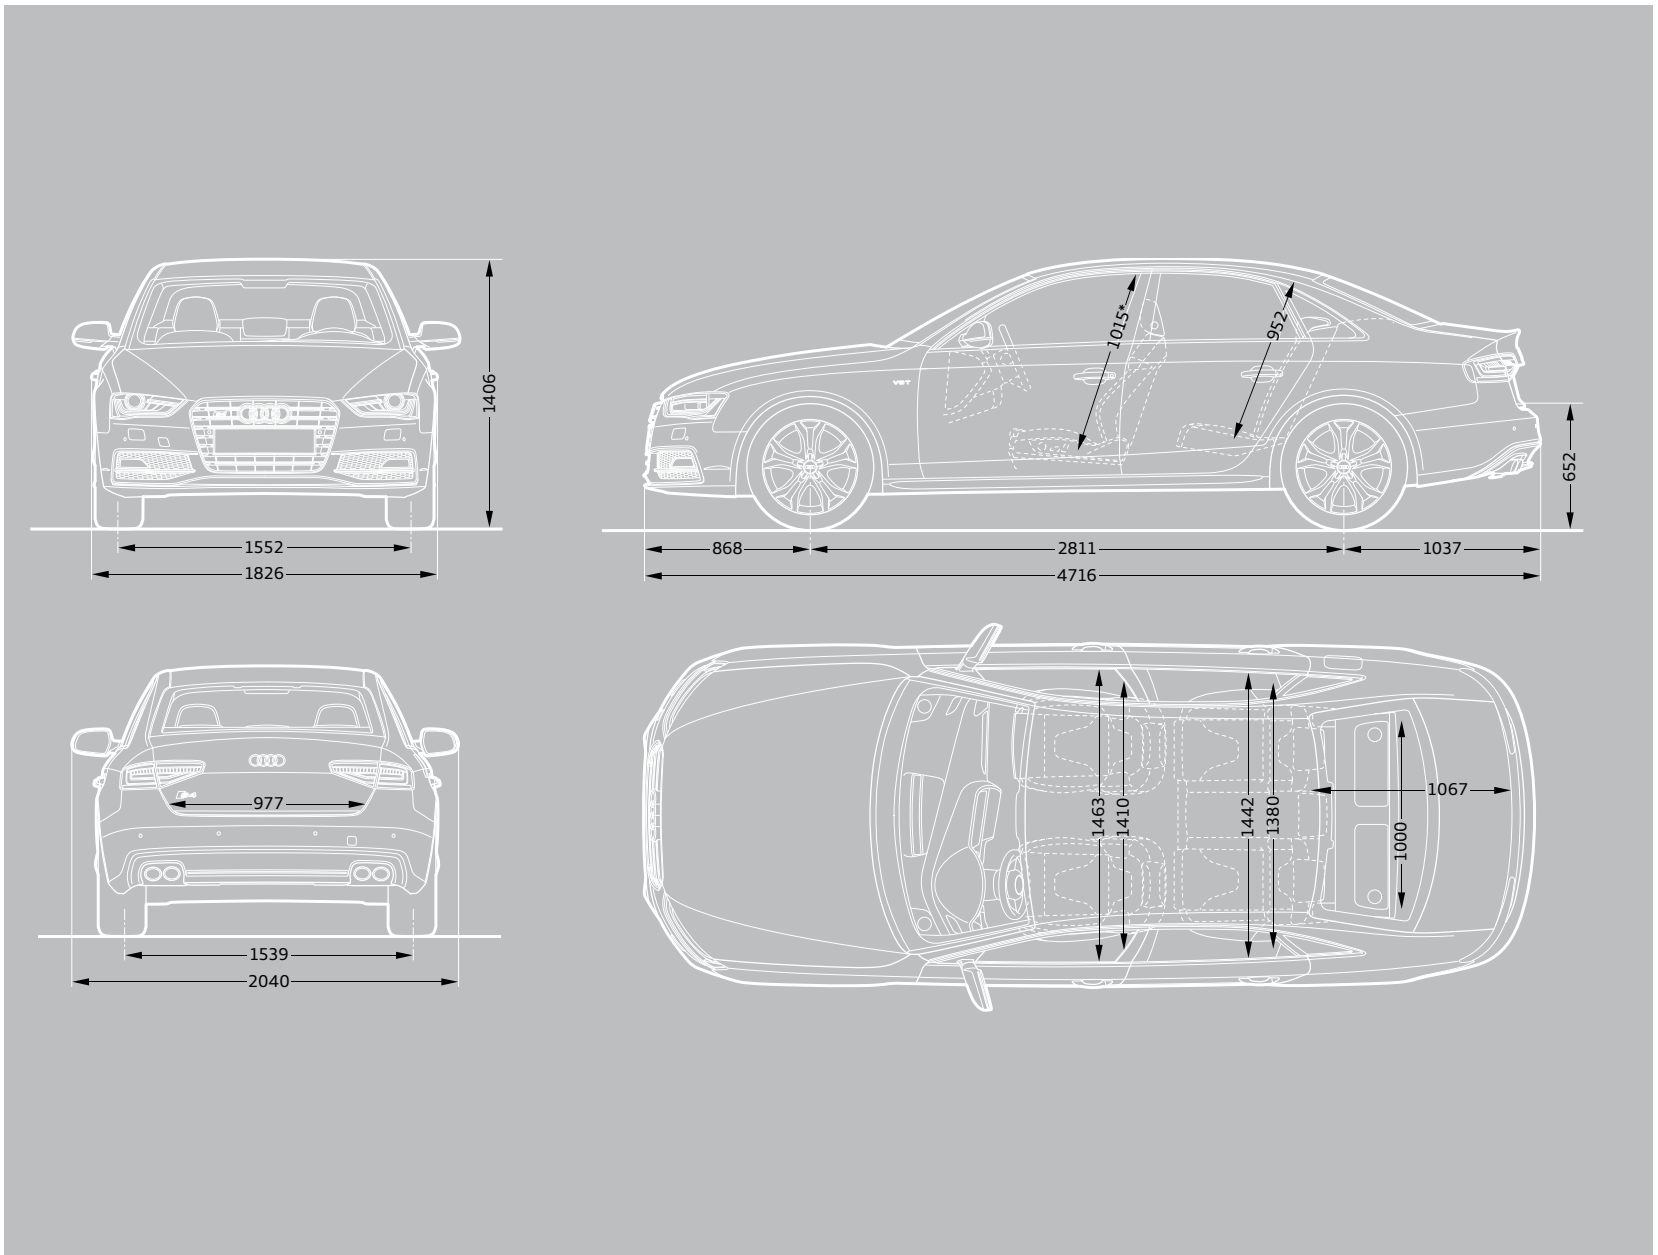
Luggage compartment volume in litres: 490/1430 (measured by the VDA standard test method using 200 x 100 x 50mm blocks; second value: with rear seat folded down).

Turning circle approx 11.4m.

Dimensions in millimetres.

# S4 quattro Saloon dimensions

The technical drawings opposite show the exact dimensions of the S4 quattro Saloon, so you can check everything – from whether the car will fit in your garage to whether your luggage will fit in the boot.



*Maximum headroom.

Dimensions measured with vehicle at unladen weight, ground clearance measured with vehicle carrying its maximum load.

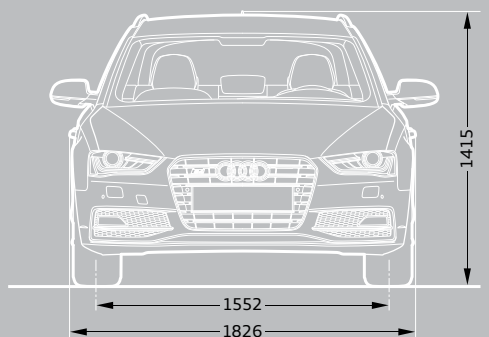
Luggage compartment volume in litres: 480/962 (measured by the VDA standard test method using 200 x 100 x 50mm blocks; second value: with rear seat folded down).

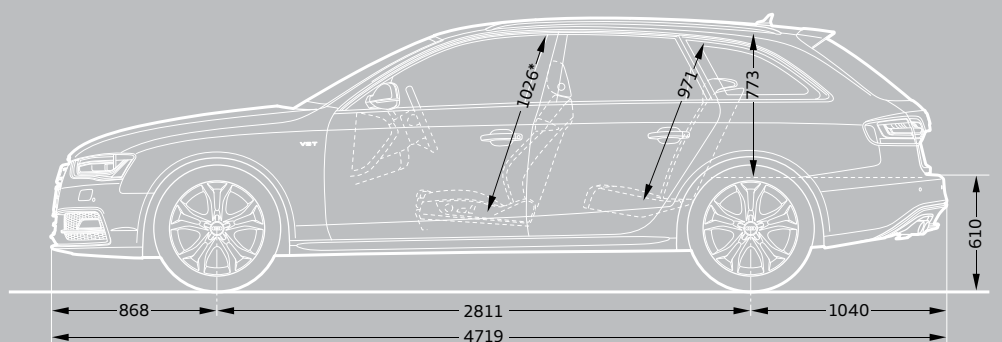
Turning circle approx 11.4m.

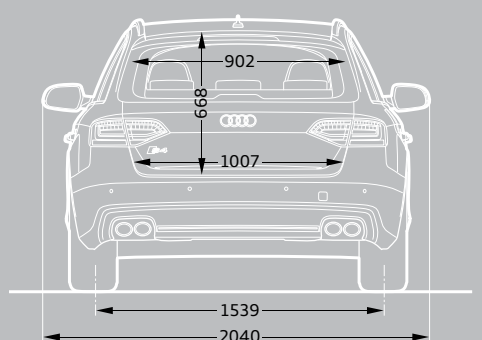
Dimensions in millimetres.

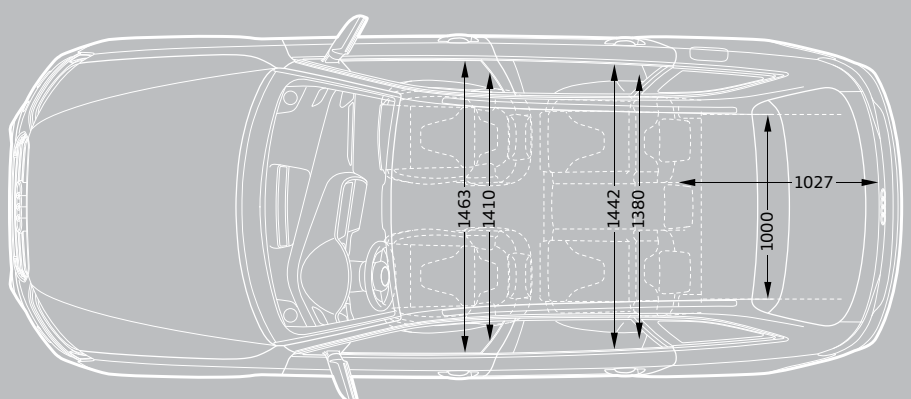
# S4 quattro Avant dimensions

The technical drawings opposite show the exact dimensions of the S4 quattro Avant, so you can check everything – from whether the car will fit in your garage to whether your luggage will fit in the boot.









*Maximum headroom.

Dimensions measured with vehicle at unladen weight, ground clearance measured with vehicle carrying its maximum load.

Luggage compartment volume in litres: 490/1430 (measured by the VDA standard test method using 200 x 100 x 50mm blocks; second value: with rear seat folded down).

Turning circle approx 11.4m.

Dimensions in millimetres.

# Pricing and Additional information

### Welcome to Audi

By placing an order for your Audi, you're choosing to get behind the wheel of one of the most sophisticated cars on the road. And because we believe the service we offer should be just as advanced, we want to let you know exactly what you can expect from us, now and in the future.

We've agreed a set of standards with all our Centres which governs the way we do business with you. It outlines the kind of service we promise to deliver for every customer, right down to filling each new Audi we sell with half a tank of fuel.

So whether you're interested in the date your car will arrive in the UK or the way we'll dispose of non-biodegradable materials after we service your Audi, you can have total confidence in us.

## Audi Promise

### Audi Centres

We guarantee that all our Centres will be open as follows:

Sales: Monday to Friday 9am–6pm
Saturday 9am–5pm

Service: Monday to Friday 8am–6pm
Saturday 8.30am–1pm

Sunday opening is at local discretion.

### New car delivery

Once we've confirmed a delivery date for your car, we'll keep you informed of progress. Subject to reasonable notice, we'll then deliver it to a place of your choice, whether that's your home or work. In the unlikely event of a delay, we'll provide a courtesy car to minimise inconvenience and keep you mobile.

### Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

### Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 20%, but this may alter to reflect any change in the applicable VAT rate.

Delivery charges and number plates are not included in the vehicle price.

| | |
|---|---|
| Delivery charge | £471.66 |
| Number plate | £20.00 |
| VAT | £98.34 |
| Total | £590.00 |

### Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the 3rd year
- A 3-year paint warranty
- A 12-year anti-corrosion warranty
- 3 years' UK roadside assistance and recovery

You also have the option when ordering your new car of choosing a 4-year or 5-year Audi warranty. Speak to a member of the sales team for more information.

### Audi tax-free sales

If you are entitled to purchase a vehicle free of VAT, normally through military or diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call 01908 548 356.

### Audi Finance

Audi Finance specialises in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there is a range of funding options to choose from.

Below is the full range of finance products, which comprises:

- Solutions – a Personal Contract Plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all products, you can choose a fixed-cost maintenance plan designed to help you budget accurately.

No matter which Audi model you choose, your local Audi Centre can provide you with a personalised quote designed to fit your budget and motoring needs.

Audi Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

### Audi Insurance

We want you to start enjoying your new car from day one and thanks to Audi Insurance complimentary 7-day cover, you can. Call free on 0800 316 7893 (lines are open Monday to Friday 8am–9pm, and Saturday 9am–5pm), provide a few details and a cover note will be sent to your Audi Centre. They will then tax your car and you can drive it away.

Audi Insurance is a trading name of Volkswagen Insurance Service (Great Britain) Limited, an appointed representative of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Registered in England number 2835230. Audi Insurance is sold, underwritten and administered by Allianz Insurance plc registered in England number 84638. Registered office 57 Ladymead, Guildford, Surrey GU1 1DB. Volkswagen Financial Services (UK) Limited and Allianz Insurance plc are authorised and regulated by the Financial Conduct Authority. Volkswagen Financial Services (UK) Limited and Allianz Insurance plc are not part of the same corporate group.

## $CO_2$ data and information

### $CO_2$ emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide ($CO_2$) a vehicle emits, measured in grams per kilometre (g/km). First year VED rates apply to the first year of ownership. Annual VED rates apply thereafter. The DVLA has created thirteen categories:

| Petrol and Diesel engines | First year | Annual rate (second year onwards) |
|---|---|---|
| **A – up to 100g/km** | £0.00 | £0.00 |
| **B – 101 to 110g/km** | £0.00 | £20.00 |
| **C – 111 to 120g/km** | £0.00 | £30.00 |
| **D – 121 to 130g/km** | £0.00 | £110.00 |
| **E – 131 to 140g/km** | £130.00 | £130.00 |
| **F – 141 to 150g/km** | £145.00 | £145.00 |
| **G – 151 to 165g/km** | £180.00 | £180.00 |
| **H – 166 to 175g/km** | £290.00 | £205.00 |
| **I – 176 to 185g/km** | £345.00 | £225.00 |
| **J – 186 to 200g/km** | £485.00 | £265.00 |
| **K – 201 to 225g/km** | £635.00 | £285.00 |
| **L – 226 to 255g/km** | £860.00 | £485.00 |
| **M – over 255g/km** | £1,090.00 | £500.00 |

Vehicle Excise Duty (VED) rates correct at time of going to print, but these may alter to reflect any change in the applicable VED rate.
